Table S3.—Results of Kruskal-Wallis and Mann-Whitney *U* pairwise post-hoc tests on observed Hill numbers at the genus level for all orders of q. H-statistics (normal and tie-corrected) and p-values are shown. P-values are shown for each pairwise comparison. $P \leq 0.05$ *, $P \leq 0.01$ **, $P \leq 0.001$ ***.
